

“MANAGING YOUR MONEY!”

The economy, high debt levels, rising mortgage problems, increasing costs, and eroding retirement plans have employees worried about their financial futures. This life-changing 3-hour workshop was created by the LFE Institute, a leader in unbiased Workplace Financial Education for more than 2 decades.

Taught by LFE’s Certified Instructors, this interactive workshop helps employees stretch their paychecks, reduce debts, ease family conflicts over money, avoid financial traps, and “find” more money...all without budgeting. You’ll leave this class with everything you need to get in control of your finances and have more money to spend every month!

LFE sells no products or services other than education.
